# Haekuns Adventure

The story of a fly named Haekun, born in Mato Grosso, the mid western region of Brazil. Haekun, the king of the flys society, enjoyed playing with his friends. One day, he met an old human lady who saved his friends. To his surprise, he was able to communicate with her. Haekun then began to form a bond with her. When her grandson, who was unkind to flies, was in a dire situation, Haekun decided to risk his own life to save the grandson. The book is written both in English and Japanese for those who are interested in learning languages.
