

Creative Writing Unit Study

Legendary newspaper publisher Joseph Pulitzer, who in 1911 endowed the prestigious Pulitzer Prize for exemplary journalism, had this advice for aspiring writers: Put it before them briefly so they will read it, clearly so they will appreciate it, picturesquely so they will remember it, and above all, accurately so they will be guided by its light. The difficulty of teaching children to write creatively is also legendary. We can, however, follow Pulitzer's advice and attempt to teach them to write with clarity, accuracy, brevity, and beauty. Today's creative writing lessons will help in that effort!! Brought to you by the HLN Family Publishers - an award-winning publisher of education content and unit studies on the web. Each unit contains explanatory content and is chock full of online resource links and book suggestions. Also included: 6-8 lesson plans and 2-10 worksheets. Days and days of learning and exploration within each unit! This unit study uses age-appropriate, reviewed links across the web to further your knowledge on this topic. It is best utilized with an internet connection. Great for homeschoolers, teachers, and anyone interested in having fun learning more about this topic.
