

MELISHs TRAVELS~through the United States of America, in the Years 1806 & 1807, and 1809, 1810, & 1811 (Travel in America) (Paperback) - Common

Scottish-born John Melish visited the United States several times beginning in 1806, finally deciding to settle in Philadelphia in 1811. This work contains Melish's first maps, and they formed the basis for his later career in cartography. Reinforcing his observations of the places he visited, these first-hand maps focused on cities, towns, or transportation hubs and included topography and information
