

Classroom Activators: More Than 100 Ways to Energize Learners

Proven ideas to keep all students attentive and motivated while learning! This handy guide is a fun, creative collection of practical strategies that help teachers stimulate, invigorate, and re-energize learners whenever they need a brain break. These state-changing activities use movement, games, groups, and adjustments to the classroom environment to help students refocus, be creative, and learn more effectively. The author provides techniques based on brain research to:

- Keep the learning environment fresh
- Help students focus on the task at hand
- Stimulate students brains in the middle of a lesson
- Build a sense of community, teamwork, and rapport in the classroom
