

Celebrate Living, Gods Way!: A Co-creational Exhortation: To Return Gods Love!

Please STOP the Political Divisiveness!
There CANNOT be Separation Between
Church and State! In 2009 Our REAL
National Debt was well over \$100 Trillion
with Entitlements (Not \$11-12 Trillion)
and Our TOTAL Unemployment was 41%
with Labor Not in the Work Force (Not
10%). NOW, in 2015, everything has
gotten worse. Its the system, stupid!
We must change the systems of politics.
START Restructuring a More
Decentralized Federal System of
Government to more regional and States
control, like the Framers intended. Here
are just a few ideas to help get the change
process going.
