

The City of Dancing Dervishes: And Other Sketches and Studies From the Near East (Classic Reprint)

Excerpt from The City of Dancing Dervishes: And Other Sketches and Studies From the Near East Of the following sketches and studies, the first, the fifth, and a portion of the second have appeared in The Morning Post, the third in The Fortnightly Review, the sixth in The Times, the seventh (under a different title) in Blackwoods Magazine, the eighth and tenth in The Near East; and I am indebted to the editors of these periodicals for their kindness in allowing me to reproduce them here. For permission to include S. Andrew the Miracle-Worker I have also to thank Mrs. A. K. Bovill, in collaboration with whom it was written.
