

Living the Heros Quest: Character Building through Action Research

The author has developed a manual for the easy implementation of the character education program she created. As an added bonus, the book includes an explanation of the action research completed with the original implementation of this program. It includes the necessary lesson plans, eight original hero tales, annotated bibliographies of other applicable tales, assessment pieces, reproducible forms and instructions for implementing the program and the action research piece. It also includes a sampling of the results of her research to date, original student reflections, texts of interviews and analysis. A foreword by well-known young adult fantasy author T. A. Barron, author of the popular Merlin series, is featured.
