

Self-Control Lapbook: Plus FREE Printable Ebook

Are you wanting something fun to go along with character studies you are doing with your child? Well here it is! This lapbook has areas that are easy enough for your kindergartener (with a little help reading) but also some that are more challenging for your 6th grader. This lapbook will help your child to understand self-control in a fun way while learning biblical principles that will help them put it into action. Use the coupon on the last page to download a free PDF version of the lapbook in order to print pages.
