For the full article associated with a given Wikipedia headword, the reader can simply go to www.wikipedia.org or www.websters-online-dictionary.org and type in the name of the topic to better understand the context of the entry; passages attributed to Wikipedia are exempt from any compilation or other copyright held by this book and can be freely used under the GFDL found at www.wikipedia.org. The full GFDL is reproduced at the end of the book after the solutions, and applies to each Wikipedia headword. Enjoy!
