

Specimens of the Early English Poets, Vol. 3 of 3: To Which Is Prefixed, an Historical Sketch of the Rise and Progress of the English Poetry and Language (Classic Reprint)

Excerpt from Specimens of the Early English Poets, Vol. 3 of 3: To Which Is Prefixed, an Historical Sketch of the Rise and Progress of the English Poetry and Language It has been remarked by Bishop Percy, that almost all the poetry which was composed during the early part of the preceding reign was remarkable for the facility and musical flow of its versification; whereas the compositions of Donne, Jonson, and many of their contemporaries are, in general, unusually harsh and discordant. Indeed, our literature could not fail of reflecting, in some degree, the manners of the court. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
