

# Island of the Blue Dolphins Reading Group Activity Guide

This Island of the Blue Dolphins activity guide by Scott O'Dell is set up so it can be used as a unit plan for the teacher, or used by students in literature circles. It is broken up into a 14 day plan, and includes chapter questions, vocabulary, writing prompts, reading comprehension questions, and projects. This would be a perfect resource for a homeschooler to follow along with the book. This is not the actual book.
