

Seek God First: First Place 4 Health Bible Study Series

Seek God First, the first in a series of Bible studies created for First Place 4 Health, will help you explore the importance of surrendering your mind, body, emotions and soul to Jesus. Through daily study and prayer, you will discover how to center your life on Christ, overcome temptation and find true satisfaction in pleasing God. Lasting change from the inside out begins when we seek God first. Each First Place 4 Health Bible study contains 12 weeks of daily study to help you put Christ in first place, as well as weekly Live It Trackers to document your progress. Also included are Scripture memory cards, a coordinating Scripture memory music CD, and two complete weeks of menu plans with grocery lists, recipes and detailed nutrition information. Based on proven techniques and more than 25 years of experience, First Place 4 Health invites you to try the most complete Christ-centered healthy living program available. First Place 4 Health will help you create balance in the four core areas of your life: emotional, spiritual, mental and physical. The results? Weight loss and total health from the inside out.
