

## The RoutledgeFalmer Reader in the Philosophy of Education (RoutledgeFalmer Readers in Education)

This Reader brings together a wide range of material to present an international perspective on topical issues in philosophy of education today. Focusing on the enduring trends in this field, this lively and informative Reader provides broad coverage of the field and includes crucial topics. With an emphasis on contemporary pieces that deal with issues relevant to the immediate real world, this book represents the research and views of some of the most respected authors in the field today. Wilfred Carr also provides a specially written introduction which provides a much-needed context to the role of philosophy in the current educational climate. Students of philosophy and philosophy of education will find this Reader an important route map to further reading and understanding.
