

## Shiloh

Shiloh is based upon the authors great grandfather who fought in several battles during the War Between the States. He was a member of the 2nd Alabama Cavalry and was wounded at Shiloh. Though this book is historical fiction, it uses real locations and historical figures. It depicts the horrors of war including being a prisoner of war in a Union prisoner of war camp in Minnesota. Captain Dan Thompson returned home from the war only to discover he had lost his wife, a once prosperous plantation and everything he held dear. He suffers from injustice administered by the Reconstruction Government and with a price on his head flees west and starts new life.
