

Reflections on San Francisco Bay: A Kayakers Tall Tales, Vol. 2

For a group of San Francisco Bay Area residents, Thursday nights are reserved for kayaking on the bay. Islands, bights, caves, and more . . . no corner of the bay and its history are left unexplored. The tales in this volume chronicle the paddles from October 2000 to November 2001. Better than any travel guide on San Francisco Bay, these volumes capture the flavor of one of the worlds most reknown bodies of water.
