Teach respect and help students achieve their full potential. STAND TALL is a video-based educational program that educates teachers and students in Grades 4-6 about how to respond to disrespectful behavior. This STAND TALL Teachers Manual accompanies the DVD. The STAND TALL program results in three core competencies: RESPECT for individual differences, DISCUSSION to further understanding, and ACTION that transforms behavior. One module, which includes commentary from educators, legal experts, and counselors, is designed for teachers and provides guidance on using the student-oriented materials. The program also provides advice on preventing harassment, clarification of relevant laws, DOE guidelines, and a compendium of resources and classroom activities. Suggested use: Order one STAND TALL Teachers Manual & DVD to view together plus as many individual STAND TALL Teachers Manuals as needed to accommodate your group.
