

Project management Complete Certification Kit - Study Book and eLearning Program

This self-study Exam preparation guide and its accompanying online course for the Project management Certification Exam contains everything you need to test yourself and pass the Exam. All Exam topics are covered and insider secrets, complete explanations of all Project management subjects, test tricks and tips, numerous highly realistic sample questions, and exercises designed to strengthen understanding of Project management concepts and prepare you for Exam success on the first attempt are provided. Included with your purchase: 1. This book 2. eLearning Course Access 3. PDF Course book 4. Exam 5. Upon successful completion of the course and exam, you will receive a personalized certificate. Put your knowledge and experience to the test. Achieve Project management Certification and accelerate your career with the included Exam. Can you imagine valuing a book and its course so much that you send the author a *Thank You* email? Tens of thousands of people understand why this is a worldwide best-seller. Is it the author's years of experience? The endless hours of ongoing research? The interviews with those who failed the Exam, to identify gaps in their knowledge? Or is it the razor-sharp focus on making sure you don't waste a single minute of your time studying any more than you absolutely have to? Actually, it's all of the above. This book and its accompanying online course includes new exercises and sample questions never before in print. Offering numerous sample questions, critical time-saving tips plus information available nowhere else, this book will help you pass the Project management Exam on your FIRST try. How To Get Up to speed with the theory? Buy this. Read it. Do the eLearning Program. And Pass the Project management Exam.
