

## Made In America

I speak as a victim of Americas so-called democracy. You and I have never seen democracy; all weve seen is hypocrisy. When we open our eyes today and look around America, we see America not through the eyes of someone who has enjoyed the fruits of Americanism, we see America through the eyes of someone who has been the victim of Americanism. We dont see any American dream; weve experienced only the American nightmare. We havent benefited from Americas democracy; weve only suffered from Americas hypocrisy. Malcolm X. Cry aloud, spare not, lift up thy voice like a trumpet, and show my people their transgression, and the house of Jacob (Yacob) their sins. Isiah, chapter 58, verse 1. Whats Inside this Book A vivid look at police brutality Uncovering a slave mentality Black men, are they true fathers or an endangered species? The true value of Black women What is Black love? Does the American Education System really work? Will there be a future for Black children? Does religion work?
