

AB The Legend A Photographers Tribute

Angry Young Man; Big B; Superstar; Icon: The epithets are many for Amitabh Bachchan-the man who has captured and held the imagination of Indians for several decades now. And yet, what could be more appropriate, more fitting for who he is and what he is than Legend. Bachchan was the undisputed king of Bollywood for years-at one point of time, eight of his films were celebrating their silver jubilees simultaneously. Then came his fall from grace in the early Nineties. Today, he is back to where he was, and more. He has had five hits in 2005, is the host of a hugely successful game show, and is one of the most sought after brand ambassadors in India.
