

Milledulcia a Thousand Pleasant Things: Selected From Notes and Queries (Classic Reprint)

Excerpt from Milledulcia a Thousand Pleasant Things: Selected From Notes and Queries Notes and Queries may be called a literary exchange, where all who know something - have something to ask - or who can solve something, may meet upon common ground. This excellent idea has in its execution proved of real service to literature, by throwing light on many obscure and debated points, and by bringing out much valuable and pleasant knowledge, which, for want of such a publication, has lain hid in old crypts, in dust-incrusted pigeonholes, and in the dark, unfrequented nooks of libraries, where, but for this work, it might have slumbered for ages, or have been altogether lost. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.
