

After the Ark: Daniel and Dana the Fatherless Dinos: A Heavenly Father

Fatherlessness is an ever-growing epidemic in our world today. Daniel and Dana, The Fatherless Dinos series introduces encouragement and hope for every fatherless young boy and girl, making it a must read for any fatherless circumstance! These books provide Biblical instruction for what can be a hopeless situation. Daniel and Dana, though fictional characters, share real life experiences from a fatherless home that will relate to any fatherless child. In A Heavenly Father every reader will be instructed on how to have a personal relationship with their Heavenly Father. Beginning that relationship is the first and most important step on anyone's fatherless journey. Daniel and Dana, The Fatherless Dinos series is a useful tool for parents, grandparents, extended family, teachers, pastors, mentors, and anyone else that desires to help and encourage a fatherless child. Sean Teis is the founder of Life Factors Ministries. He grew up in a single parent home, and understands first-hand the results of this devastating social issue. Burdened to spread hope to other broken homes, he founded Life Factors Ministries. It is Seans desire to flood children and teens from broken homes with Biblical tools and resources that will enable them to have a chance at a successful life.
