

LEGENDS & LORE OF WESTERN PENNSYLVANIA (American Legends)

Oppaymolleahs curse. General Braddocks buried gold. The Original Man of Steel, Joe Magarac. Such legends have found a home among the rich folklore of Western Pennsylvania. Thomas White spins a beguiling yarn with tales that reach from the misty hollows of the Alleghenies to the lost islands of Pittsburgh. White invites readers to learn the truth behind the urban legend of the Green Man, speculate on the conspiracy surrounding the lost B-25 bomber of Monongahela and shiver over the ghostly lore of Western Pennsylvania.
