

Social Work: Voices from the inside

Social Work: Voices from the Inside offers unique insight into social work from the perspectives of those on the inside, that is, service users, carers and practitioners. Drawing on a narrative tradition, fifty-nine people from across the UK tell their stories about how and why social work came into their lives, and what happened next. Key topics are discussed, including: children and family social work criminal justice social work mental health social work residential child care social work with disabled people social work with older people lessons for the future. Focusing on issues for good practice in social work and social work education, this book is essential reading for students and academics of social work and social policy. It will also appeal to social work professionals and those in allied health, education and care areas.
