

Teaching Them to Read (Allyn & Bacon Classics Edition), MyLabSchool Edition (6th Edition)

As we begin the 21st Century, Allyn and Bacon joins with renowned scholars to recognize the contributions its texts have made to the field of education. Allyn and Bacon Classics in Education honors those authors and books that have made significant advancements in student understanding and appreciation of the discipline. Each title in the series begins with a new in-depth Foreword, written by one of today's top scholars, that contains a brief biography of the text's author and analyzes the text's historical and enduring contributions. Cohesive, engaging, and generous with carefully selected content, Teaching Them To Read is a modern classic in the field. Grounded in solid research and practice, this outstanding text gives your students specific suggestions on how to promote literacy in ways that are interesting and meaningful for students.
