

Stay Hungry

Furious Pete is one of the best competitive eaters in the world. He holds multiple Guinness World Records and has eaten just about everything you can imagine. What started as a party trick to entertain his friends turned into a career that has taken Pete around the world and made him a well known name on the competitive eating circuit and on YouTube, where he has over 2 million followers. But Furious Pete isn't your typical competitive eater. After reclaiming his mind and body from anorexia in his teens, he has dedicated his life to health, fitness, and helping others to find their own strength. Stay Hungry follows Furious Pete's personal and professional journey recovering from his illness and rebuilding his body; discovering his talent thanks to a huge hangover; becoming a pro eater, then making it big on German television; lifting heavy and living healthy, all while eating the biggest, stickiest, chewiest, greasiest, and spiciest foods on the planet.
