

Short Vowel Stories: For Budding Readers

Help your child learn Short Vowels in an exciting way! They will enjoy these simple, fun and easy-to-read stories with mostly 3 to 4 letter words. There are 2 volumes, each with 5 stories - one on each vowel sound. At the end of each story is a list of words that they have learned. Each story ends with a motivational exercise for the kids to start thinking of their own story with the words given. A portion of the money you pay for this book goes to Feed the Children foundation.
