

Cambridge Latin Course Unit 1, 2A and 2B

The Cambridge Latin Course is a well-established introductory program in four Units, originally developed by the Cambridge School Classics Project. Under the sponsorship of the North American Cambridge Classics Project. This proven approach includes a stimulating, continuous storyline, grammatical development and cultural information carefully woven throughout the text, a complete Language Information section now bound into the students volume and, for the first time, color photographs that illustrate the Roman world. Also available are a thorough Teachers Manual, a workbook, and cassette tapes.
