

# Smart2Smarter: How Emotional and Social Connections Bring Humanity into the Workplace

A new definition of smart has emerged in recent years: It is the desire and ability to view SMARTER as a process dependent on social and emotional intelligence skills. In Smart2Smarter, learn to develop the seven SMARTER employability skills and build emotional and social connections to bring your humanity into the workplace. Challenge negative thinking, demonstrate empathy, stop tolerating habits that derail your career, and develop resilience in work and life. Leaders, employees or anyone looking to bring their greteness into the workplace and bring out the best in self and others will find this book invaluable. Cynthia Kivland shares her research and wisdom in a practical format that provides the knowledge, tools and actions needed to thrive-not just survive-in the global workplace.
