

Edgar Allan Poe: The Beacon Biographies (Classic Reprint)

Whoever writes of Poe or Whitman finds himself in controversies irrelevant to pure letters. Whitman has become prophet of an Idea, and the fierce light that beats about him is not clear to see by. Poe, on the contrary, paid a posthumous penalty for his sins by furnishing a moral issue in biography, over which there is even to this day unprofitable contest. Worse yet, he has become one of the toys in the childish game of international and intersectional prejudice-pitching. About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the difficult to read text. Read books online for free at www.forgottenbooks.org
