

## El amante uruguayo (Spanish Edition)

¿Amorim consiguió aduenarse del cadaver de Garcia Lorca? ¿Es el cuerpo del poeta granadino el que se halla tras un monumento en la ciudad uruguaya de Salto? Resolver estas preguntas han causado molestias y despertado polemica entre los intelectuales. ¿Descubre por que! Hombre de fortuna, sujeto encantador, ligeramente embustero, animal social, escritor casi olvidado, el uruguayo Enrique Amorim, especialmente su relacion con Federico Garcia Lorca, es el centro de una trama de celos, envidias y resentimientos, pero tambien de lealtades y amores, cuyo marco es la escena artistica entre las decadas de 1920 y 1960. Se confirman algunas verdades: Neruda era un hombre de amigos y enemigos entratables; Aragon dominaba la vida cultural francesa; Quiroga vivia atormentado por si mismo. Se despejan algunas dudas: Picasso fue ninguneado por el Partido Comunista; Chaplin fue absurdamente perseguido; Borges no sabia nada de futbol. Pero, sobre todo, se abren interrogantes: ¿Amorim consiguió aduenarse del cadaver de Garcia Lorca? ¿Es el cuerpo del poeta granadino el que se halla tras un monumento en la ciudad uruguaya de Salto? A traves de una investigacion a un lado y otro del Atlantico, Santiago Roncagliolo ha buscado responderlas. Un libro trepidante de principio al fin, descubriras la carne viva de varios artistas de la epoca mas alla de sus poses de ficcion.
