

Geometry and Measurement, Grades 4-6

Boost kids confidence and target the key math skills they need to succeed on standardized tests with this collection of 40 super-fun math puzzles. These puzzles provide the engaging, hands-on practice students need to master geometry and measurement. Also includes reproducible student tip pages with helpful strategies. Perfect to use for level-appropriate, easy-to-manage homework, and for getting kids excited about math. For use with Grades 4-6.
