

Its Not Rocket Surgery! Vol. 5: Seeing the Emperors New Clothes - Project Follow Through

Is your child's education (future) safe? Take this simple quiz. Does your child:

- 1) Know the letter names, but not their individual letter sounds?
- 2) Know how to recognize words by sight, but not how to sound them out?
- 3) Confuse words easily?
- 4) Confuse letters and numbers?
- 5) Guess at unknown words?
- 6) Need pictures to help guess at sentence context?
- 7) Feel frustrated with reading?

If you said YES to any of these questions, your child may develop induced-dyslexia or fall further and further behind each year. Do something NOW to change his/her reading skills from sight-words to true phonics with The Godfrey Method. Give your child the tools to succeed in life!
