

# Meeting Fairies: My Remarkable Encounters with Nature Spirits

Fascinating meetings with fire and water spirits and interactions with the elf king one persons remarkable encounters with the fairy realm. More than 40 years ago Robert Ogilvie Crombie, or Roc as he was affectionately known, found himself in Edinburgh Botanical Gardens, where, to his great surprise, he found himself looking at a faun. The remarkable, life-changing experience opened up the world of fairies to him, and was the beginning of many profound encounters with the nature spirits. Designed to look like an old fairytale book, this is the first compilation of Roc's precious encounters with the fairy realm. His warm and detailed accounts reveal a world many years to learn about.
