

Research and Evaluation for Busy Practitioners: A Time-Saving Guide

Many people working in public services have to do research on top of their main jobs, including workplace research or research for a professional development qualification. This book will show you how to juggle research, work, family, and social life. It provides a wealth of practical information and tips to save you time, effort and stress. The book is supported by a companion website, containing additional materials for both students and lecturers.
