

## How I Paid Tribute to Michael Jackson: The Story of Michael Forever The Tribute Concert (Volume 1)

Andy Picheta, experienced music film producer and part time hotelier, steps out of semi-retirement and a comfortable life in the Scottish Highlands to work on Michael Forever, a giant tribute concert to Michael Jackson, featuring a host of international stars and Michaels family, children and friends. It sounds like the project of a lifetime, a perfect return to the world of rock n roll, but wanton greed, massive hubris, secretive executive producers and a very rocky financial structure combine to quickly turn the dream into a nightmare of angry fans, incompetent management and wary performers. Miraculously, Michael Forever made it onto the stage. Whether it should have is a question this book tries to answer.
