

BABA BLACK SHEEP: Rhymes and Crafts (1)

Ba Ba Black Sheep is the first in the series of teaching resources from my own Rhymes and Crafts collection. Popular rhymes combined with enjoyable activities will make learning an enjoyable experience for young learners. Whether you are a parent or teacher, use these lesson plans to teach new or recycled vocabulary to young learners. A fun and creative craft activity is included and can be used to decorate classroom walls. The activities come in two versions; black and white and colour. Teachers adore those cute colored graphics, but black and white ones are more useful so project the colored pages on a screen and print out the same activity in black and white. Enjoy!
