

Ronda del Gijon (Spanish Edition)

Ronda del Gijon esta concebida como un retablo con personajes reales (escritores, actores, periodistas), representantes de la bohemia de la segunda mitad del siglo pasado que tenian por costumbre acudir a diario al Gijon durante un periodo de sus vidas. A traves de su recuerdo sobre sus vivencias alli componen un relato del ambiente cultural y social de aquel Madrid. El Gijon como reflejo y espejo de una ciudad, de un pais. Es un relato periodistico y tambien literario. El autor selecciona a sus protagonistas y les deja hablar: Eugenio Suarez, Ana Maria Matute, Manuel Alcantara, Jesus Pardo, Rafael Azcona, Perico Beltran, Juan Tebar, Manuel Ruiz-Castillo, Raul del Pozo, Jose Luis Garcia Sanchez, Juby Bustamante, Jesus Garcia de Duenas, Manuel Vicent, Pepe Barcena, Alvaro de Luna, Rosana Torres, Maruja Torres y Alfonso. Cada personaje testimonia la epoca que le toco vivir y el libro abarca desde los anos posteriores a la Guerra Civil hasta el fin de siglo XX. No es una reproduccion fidedigna de sus testimonios, es evidente la mano discreta del autor en la composicion y el orden de los recuerdos, en el relato narrativo. Hay anecdotas deliciosas, tambien episodios tristes, ejemplos de picaresca en su conjunto es una obra apasionante y divertida que nos trae el aroma de cuando la vida de la bohemia transcurria en los cafes.
