

One Thing for Certain, Two Things for Sure: A Memoir continued

One Thing for Certain, Two Things for Sure reminds us that there are no mistakes or accidents in life that everything happens as it should. Stewart allows us, the reader, an intimate look into his personal life through stories that center on dating, love, fear, fate and destiny. Stewart returns with the long awaited sequel, One Thing for Certain, Two Things for Sure, a memoir continued. His groundbreaking debut memoir, Words Never Spoken transcended race, gender and sexuality. Dubbed a literary piece of artwork, Words Never Spoken gave voice to men and women who are conflicted sexually, and frustrated by the complexities of being gay, bisexual or trans. I promised myself years ago that I wouldn't be the kind of writer who puts out a project because people want to hear more from me. Rather, I'd be the kind of artist that only puts out a work because I have something to say, and I've kept that promise. I hope my story, these words, will help navigate the lives of men and women everywhere. Craig Stewart
