

## Up in the Clouds, Gentlemen Please

Sir John Mills is one of Britain's best-known, and best-loved, actors. This autobiography charts his life from the early beginnings in music hall song-and-dance routines, to the days of Cavalcade and Jill Darling to the film epics, *In Which We Serve*, *Ice Cold in Alex*, *Scott of the Antarctic* and his Oscar-winning performance in *Ryans Daughter*. A new chapter brings the book fully up-to-date, revealing the drama, farce and tragedy - not to mention some spectacular falls - which have been a part of a life that is as varied as it is successful.
