

Elizabeth: The Life of Elizabeth Taylor

Elizabeth Taylor is one of our last great movie stars. An Oscar-winning actress, she has lived her entire life in front of the spotlights, and her glamour and smouldering, sensual charisma are the stuff of legend. In *Elizabeth*, Alexander Walker presents the story of a life that was lived, on and off camera, with a passion rarely matched by even today's outspoken celebrities. From her privileged childhood, the influence of her strong-willed mother, and her rise to stardom in films like *National Velvet*, *A Place in the Sun*, and *Cleopatra*, to her husbands, her obsession with jewelry, and her amazing resilience in the face of public scandal and personal tragedy, Walker shows us the real Elizabeth--as an actress and as a person determined to live on her own terms.
