

New York State History Lapbook Journal: Plus FREE Printable Ebook

New York State History just got easier! This Lapbook Journal includes a Study Guide that provides an overview of the states history. Websites with additional information are listed at the end of the Study Guide. Includes a Journal section, where the student will document what he has learned during the study. Also includes a Lapbook section where the student may choose to create several booklets to help improve retention of the information. This Lapbook Journal combines journaling with lap booking and helps your student to create a notebook that he will treasure for years to come. Use the coupon on the last page to download a free PDF version of the lapbook in order to print pages.
