

## Sussex archaeological collections relating to the history and antiquities of the county Volume 50

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1907 Excerpt: ...15th, Hother sone of Richard Michelborne; 1575-6, January 27th, Panell daughter of Rich. Michelborne, as also subsequently their second daughter, 1596, August 30th, Joan daughter of Richard Michelborne. There are two Michelborne entries in the Ditchling Registers which I can not identify, viz.:--Burial 1557 Aug 8 of Eichard Michelbarne. This could hardly be the father of John, of Westmeston, born 1486, as it would make him over 90 years of age, but might possibly be a son of his and a brother of John. Baptism 1591 Sep 12 of Anne daughter of Henry Michelborne. The pedigree given in Horsfields Lewes gives this Richard a brother Henry, but I do not see any warranty for it in the will of the father, Richard Michelborne, 1583, given above. Richard Michelborne and Agnes, his wife, probably removed from Ditchling soon after the birth of Drew to Broadhurst, in Horsted Keynes, and their other children, viz., Nicholas, Arthur, Edward, Elizabeth and Dorothy, were probably baptised there, and also Margery, their eldest daughter, but, as the Registers of Horsted Keynes commence only in 1638, their baptisms are not recorded. Agnes, mother of the above children, was buried at Ditchling as Anne wife of Richard Michelborne gent on the 14th January, 159, and her husband was also buried there on 16th October, 1607, as Richard Michaelborne gent. The following is an abstract of the Will Of Eichaed Michelborne. (No date) 1607 I Eichard Michelbourne of Brodhurst in the County of Sussex Esq--to be buried at Ditehelinge besides my well beloved wieff--to my two eldest daughters Margerie and Marie ?400 each at the time set down in an indenture of

lease dated 1602 between me and Sir  
Eichard Michelborne Knight my eldest ...
