

Whitakers Almanack 2013

Whitakers Almanack 2013 is the definitive reference guide. In its 145th edition, the book has been completely revised and updated, using the most authoritative sources available. The Almanack contains a comprehensive overview of every aspect of UK infrastructure and an excellent introduction to world politics. It will save hours of research and cross-referencing between different sources. The 2013 edition features new colour maps and infographics and many more charts and diagrams. Whitakers remains the most comprehensive compendium of information in the English language Jon Snow
