

The palace kid story book

The preface of the book This childrens book story which strings together a series of connected episodic stories and which is known as children stories. Many brilliant prose works of important stories in this book and all stories belong to major prose work. These stories of kids are notable not only for their stories with usually just one moral idea or a series of related concepts from first story to last story but also it is being elaborated progressive heart rending ends. However the most important aspect of thought lies in the fact that all of these stories devoted to moral values in the fact that all of this work are devoted home schooling and thought-out book of the stories collected works with a colouring and in fact dedicated to education and moral value to face the life and its challenges and for which the work hard is a code of conduct of the life. So for the above reason kids will learn a lot about education and moral teaching, particularly the reality of the world and its activities. They will learn vocabulary as it is also an aspect of the stories and where the character plays an important role. Nothing is more important than learning the truth and excepting the knowledge of the reality of the life and its challenges in the life in the world so the parents needs to know these facts so for this reason these stories are added in this kids book. From the above facts and details, if the readers will starts reading this books first page and will not stop its reading till they will reach its last page as in this book there are some interesting events and as well as other great and endeavours of royal kings are added and these kings to have passed away from the world long years ago. Even though this is small book but due to its importance it is so great due to coverage of many interesting events and positive information in it so it is like an ocean of knowledge and information of kings and who have passed away from the

world upon doing their great endeavours and many hard tasks for the preaching and propagation work of education and moral values in their lands so this book is small one but it will present the ocean of knowledge and information for the guidance of small kids towards the right path of life and hard work in the life for the success in the life especially to kids. In this book some historical details and events are added which shows the generosity and kindness as well the bravery of the kings who were passed from the world by leaving the good examples to the people and kids of the world to follow such good moral values to become successful in the struggle of the life. This is the best kid story book for the teaching of the education and moral values to the children. Mohammed Abdul Hafeez B.Com. Email: hafeezanwar@yahoo.com Hyderabad, India.
