

Handwriting: Printing For Preschool and up

Handwriting: Printing for preschool and up is a workbook that provides your child (4 - 7 years) the means to learn printing, both small letters and caps, in an easy to follow format. With the unique layout of this handwriting print workbook, hand and eye coordination is reinforced thereby giving your child a much easier approach to developing printing skills in record time. In addition we have included coloring pages that shows the alphabet and more examples of other words each alphabet could represent. This is a complete workbook for developing the important motor skills your child needs to do well in school.
