

The Romance of Northumberland (Classic Reprint)

Excerpt from The Romance of Northumberland It is curious that in view of the time-honoured and perennial plaint of the more fastidious that the romantic portions of England are over-run, he should never have discovered that this is an hallucination due to the fact that, like most other people, he does not know his own country. An equally striking and spacious wilderness, for that matter, varying only in detail, lies also hidden from the tourist and from fugitive literature and journalism, in South Wales, but that is not celebrated in household ballads and familiar tales, and belongs rather to the song and story or the Cymry. But there is a great deal more in Northumberland than the map would suggest, much of which will, I trust, reveal itself to such readers as may bear me company through these pages. But to do justice to Northumberland between the covers of a single volume is not easy. To borrow a rather happy phrase from a well-known author, I would call this rather an Appreciation of that noble county. One consolation at any rate is mine: for with all the valuable historical, arch?ological, and other work of a technical kind that has been done on Northumberland, no descriptive book of the nature of this one, appealing to the general reader, save one or two of purely local significance and circulation, has ever, so far as I know and can learn, been published. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of

imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
