This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1887 edition. Excerpt: ... APPENDIX. TRADITIONS, APPARENTLY DERIVED FROM THE SCRIPTURES. God Eternal. God is unchangeable, eternal, He was in the beginning of the world; God is endless and eternal, He existed in the beginning of the world. God is truly unchangeable and eternal, He existed in ancient time, at the beginning of the world. The life of God is endless; A succession of worlds does not measure His existence, Two successions of worlds do not measure His existence. God is perfect in every meritorious attribute, And dies not in succession on succession of worlds. God Omnipotent. The Omnipotent is God, Him have we not believed. This Omnipotent one, We have not believed. God Omniscient. God created men anciently, He has a perfect knowledge of all things: God created men at the beginning, He knows all things to the present time. God Omnipresent. O my children and grandchildren ! the earth is the treading-place of the feet of God, and heaven is the place where He sits. He sees all things, and we are manifest to Him. God is not far off. He is among us. He has only separated Himself from us by a single thickness of white. Children! it is because men are not upright, that they do not see God. His Countenance shines. The face of God is said to shine continually like the rays of the sun; and the wicked dare not look straight at Him. His Glory enlightens Heaven. There can be no night in heaven, there can be no darkness; for the rays of God enlighten it continually like the sun. He cannot look on Iniquity. On those that use obscene language, or swear, or commit fornication, or drink, or kill, the righteous One in heaven cannot look. Avoid

wickedness, for the righteous One in heaven cannot look upon it. He created Heaven and Earth. God created heaven...
