

The Clarity Series: Creating Passionate Learners: Engaging Today's Students for Tomorrow's World

Increase student engagement and decrease dropouts. Student engagement is a defining factor for student success. However, a lack of consensus on the definition of engagement makes this difficult. But it can be made easier with a common engagement literacy a simple understanding of how to maximize engagement in any school. This book offers the first comprehensive system for defining engagement and optimizing it in any student cohort. Content includes:

- How to optimize teacher feedback methods for maximum engagement
- The power of mindset (for both educators and students).

Key vocabulary terms for furthering the engagement process.
