

Memories of London in the Forties (Classic Reprint)

The first, second, and fourth of these Papers are republished from recent numbers of Blackwood's Magazine. The third the Memoir of Mazzini appeared in Macmillan's Magazine, April 1872, and is now included in this volume by the kind permission of Messrs Macmillan. The first and second Papers have been arranged for publication from my father's manuscripts, and were written by him apparently between the years 1881 and 1886, with some additions of a later date. (Typographical errors above are due to OCR software and do not occur in the book.)
