

You Have a Purpose (Lesson 30) (I Can Do All Things Character Building Collection)

You Have a Purpose (Lesson 30) from the I Can Do All Things Character Building Collection. Recommended for children in grades 3-6. This life empowering e-book includes clear objectives (for parents, guardians, teachers, etc), short story, quiz, discussion topics, and activity suggestions to help reinforce the life principle being learned. The Love Kids Band characters help make each lesson fun and relatable for children. You Have a Purpose, helps to empower children with an understanding that their life is significant. In a culture where people idolize celebrities, children should know that they have a purpose and their life matters. The Challenge: Unfortunately, both parents and teachers must find creative ways to counterbalance the influences of demoralizing media bombarding children and influencing the culture at large. The I Can Do All Things Character Building Collection, is a tool that can be effectively used to help combat the effects of demoralizing media, while empowering children with timeless values that will enrich their lives, and the lives of those with whom they interact. Instructions: Like DNA in the human body, core values are the essential building blocks for developing character that prepare children for life. As parents it is our primary responsibility to teach and reinforce strong values in the home every day. As teachers, we understand that if children lack self-esteem, confidence, and respect for self and others, or don't understand the value of education, teaching becomes a difficult battle, to say the least. As parents & teachers, the lessons and core values we instill within our children are priceless. These habit forming lessons will empower children to maximize their potential throughout their lives. We invite you to consider the I Can Do All Things Character Building Collection, as a self-paced course. Although we suggest focusing on one

lesson per week, the pacing should depend on the particular needs of the child(or children). The lesson starters, guided or independent readings, can be implemented in one day, while the suggested activities can be implemented throughout following days. We all learn by way of repetition, therefore we suggest engaging in dialogue on each topic throughout the week. There are many forces in the world that try and influence the way our children think. The I Can Do All Things Character Building Collection gives children a positive life principle to focus on each week, for 31 weeks & should be repeated. This is a great habit to form for positive and successful thinking with any age group.
